## L.A. FLOOR

### DESCRIPTION

**L.A. FLOOR** is an environmentally friendly, concentrated all purpose cleaner with excellent foaming characteristics. For use as a kitchen or all purpose cleaner, product cuts grease on floors, tiles, and metal surfaces. Its foaming action removes soil and leaves a clean, non-streaked finish. L.A. FLOOR is non-toxic, readily biodegradable, and its ingredients meet or exceed the EPA criterion for cleaning products in the Green Seal Environmental Standard 3.4.3. (G-S 33).

### DIRECTIONS

Dispense **L.A. FLOOR** through a hand pump or proportioning apparatus. As a floor cleaner, **PURPOSE HF** is recommended to be used at a rate of 6 - 8 oz., per gallon of water. For all purpose cleaning, a rate of 3 - 4 oz. per gallon can be employed. Diluted Product should be sprayed directly on surface to be cleaned, agitated with brush or mop, and rinsed clean. For greasy floors, the two mop bucket procedure (dirty/clean) should be employed for best results.

### PACKAGING

**L.A. FLOOR** is packaged in 4x1 gallon cases, 5 gallon, 15 gallon, and 55 gallon containers.
