

GUEST ADVISORY

TO OUR VALUED GUESTS:

During this period of uncertainty concerning hygiene and virus spread, cleaning and sanitizing cleaning procedures are of paramount importance. We want to reassure you that this property follows the Center for Disease Control's (CDC) reopening guidance for cleaning and disinfection.

Along with other best practice protocols, this property's room and common area hard surfaces are being cleaned daily with critical care. We use the US Environmental Protection Agency (EPA) registered disinfection and sanitizing agents explicitly approved for use against SARS-CoV-2, the virus that causes COVID-19 and detergents to remove soil.

Additionally, all linens are being handled and laundered following the CDC's recommendations and guidelines. Your health and well-being are our primary concern. We are giving the highest level of attention to daily cleaning and disinfection so that you will have the utmost confidence that your stay with us will be safe.
