EPA Est. No. 38398-NJ-01

### Description

NEUTRA-CLEAN RX is an EPA-registered, dilutable, hard-surface cleaner, disinfectant, detergent, virucide, fungicide, mildewstat, and deodorizer with a neutral pH. This all-purpose concentrate is lemon-scented and cleans floors, walls, metal surfaces, stainless steel surfaces, glazed ceramic tile, and many other hard non-porous inanimate environmental surfaces.

### Performance

NEUTRA-CLEAN RX is rinse-free, kills germs, and contains no soap constituents. The product leaves surfaces film-free and clean, yet will not irritate the skin. The product's neutral pH allows for use on finished floors without causing a clouded surface.

NEUTRA-CLEAN RX (EPA Registration #1839-168-38398) has demonstrated effectiveness against viruses similar to 2019 novel coronavirus (SARS-CoV-2) on hard, non-porous surfaces. Therefore, this product can be used against SARS-CoV-2, the novel coronavirus that causes the disease COVID-19, when used in accordance with the directions for use against Rotavirus ATCC VR-899 on hard, non-porous surfaces. Refer to the CDC website ([www.cdc.gov/coronavirus/2019-ncov/index.html](http://www.cdc.gov/coronavirus/2019-ncov/index.html)) for additional information.

### Advantages

- Heavily concentrated
- Non-toxic and non-caustic
- Rinse-free
- Neutral pH; will not attack floor finishes
- Phosphate- and chelant-free

### Usage and Handling

See the product label and our authorized representative.

### Packaging

NEUTRA-CLEAN RX is available in 4x1-gallon cases, and 5- and 55-gallon containers.
