

Harness the Power and Savings

Pariser's Housekeeping Programs

Perfect Cleaning Products to Match Your Needs

Pariser Industries' Room Care Systems line of products utilize specially-designed feed dispensers, bulk solution jugs, and chemical storage racks which eliminate waste, generate consistent results, and ensure safe and accurate chemical proportions.

The benefits of using our system:

- Simplify preparation, reduce spillage and pilferage, and prevent product waste and misuse.
- Concentrated products that are economical – you don't pay for water!
- Color-coded labels to make all Pariser products easy to identify.
- In-service education supported with instructional charts and hands-on training.
- Monthly analysis of product usage and consumption costs per patient day or occupied room.
- Personal service that makes the difference.

Pariser is adept at identifying customer issues relating to procedures, results, and usage cost parameters across a wide variety of cleaning applications. Our consultants will diagnose and solve your complex cleaning challenges, and recommend the best formula for your specific operation from our comprehensive product line. Pariser is passionate about delivering world-class products, competent technical service, extraordinary customer satisfaction, and value. Contact your Pariser representative or email info@pariser.net to learn more about the products that would be the most beneficial for your needs.

ECO-SENSE is the sensible choice for you and the environment

Pariser's ECO-SENSE line of "green" room-care products are environmentally friendly and uses ingredients that are non-toxic, biodegradable, and contain no chemical ingredients that appear on the EPA's persistent, bioaccumulative and/or toxic list of chemicals. These products are offered in concentrated form for economical usage cost.

BATHWORKS A non-abrasive tile and tub cleaner for use on fiberglass enclosures, ceramic tile, porcelain, chrome, shower doors, plastic wall tile, and marble.

GREEN AIR Air freshener and deodorizer which leaves a pleasant odor that lasts for several hours.

HYDRO POWER Non-ammoniated glass and mirror cleaner that leaves surfaces dust- and streak-free, which can be used as an all-purpose cleaner on painted surfaces, formica tables, stainless steel, tiled walls, fixtures, and appliances.

L.A. FLOOR All-purpose cleaner with foaming action that removes soil and leaves a clean, non-streaked finish that can be used to cut grease on floors, tiles, and metal surfaces.

Pariser's Room Care Systems Products

BREAK-THRU Fast-acting, easy-to-use floor stripper formulated to remove most waxes, sealers, and tile coatings. Ideal for stripping, deep floor cleaning, and floor scrubbing applications.

CITRUS CLEAN Pleasantly-scented, ready-to-use cleaner and degreaser designed for a wide range of cleaning uses in everyday applications.

DEOSCENT A concentrated, oil-based room freshener with a citrus fragrance that lasts for several hours. After the odor dissipates, the chemicals continue to fight and eliminate the cause of the odors.

FLOOR FINISH 25 Floor finish with a unique additive for high finish durability and resistance to scuffing and black heel marks.

FRESH-SCENT Concentrated, ready-to-use room freshener with a clean, fresh scent that lasts for several hours. After the odor dissipates, the chemicals continue to fight and eliminate the cause of the odors.

GLASS-N-ALL Non-ammoniated glass and mirror cleaner that leaves surfaces dust- and streak-free. Can be used as an all-purpose cleaner on painted surfaces, formica tables, stainless steel, tiled walls, tubs, fixtures, and appliances.

NEUTRA-CLEAN RX An EPA-registered, neutral, concentrated, lemon scented, all-purpose disinfectant cleaner, virucide, fungicide, deodorizer, and mildewstat. Used for cleaning floors, painted walls, ceramic tile, brick stoves, hoods, and other finished/hard surfaces. Its neutral pH enables this product to be utilized on finished floors without creating a clouded surface.

NO-TOIL Acid-based toilet bowl, urinal, and bedpan cleaner and deodorizer.

PARA BC 200 All-purpose liquid cleaner and disinfectant with mildewstat and fungicide capabilities designed for a multitude of uses in health care and institutional applications, such as sanitizing food contact surfaces, mold, walls, floors, sink tops, toilet bowls, and telephones.

PARA'POURRI Concentrated, ready-to-use room freshener with a floral fragrance that lasts for several hours. After the odor dissipates, the chemicals continue to fight and eliminate the cause of the odors.

PARALINE RUG SHAMPOO Soil-retarding rug shampoo which makes cleaning easier and protects from oil spills and ordinary wear.

PARAZYME A ready-to-use, enzyme formulation designed to liquify and digest complex proteins, cellulose, starch, fats and oils, and greases at an accelerated rate. This product is used for maintaining free and clear sinks and toilets, and it is also effective in dumpsters, grease traps, and other areas contaminated by organic type soil.

PEARL ESSENCE Thick, white, high-sudsing pearlized hand lotion soap that contains mild, non-irritating ingredients – ideal for those with sensitive skin.

PINE OIL DEODORANT CLEANER All-purpose cleaner for use on floors, furniture, and counters.

PRO-TILE Concentrated, non-abrasive tile and tub cleaner and polish for use on ceramic tile, porcelain, chrome, shower doors, plastic wall tile, and marble.

PURPOSE HF All-purpose cleaner that has foaming action to remove soil and leaves a clean, streak-free finish. When used as a kitchen cleaner, it cuts grease on floors, tiles, and metal surfaces.

REFRESH Concentrated, oil-based room freshener that leaves a pleasant odor that lasts for several hours. After the odor dissipates, the chemicals continue to fight and eliminate the cause of the odors.

SHOT SPOT Versatile, all-purpose stain remover that can be used both as a pre-spotting agent for wet cleaning and as an additive for cold washing to help with oil removals. It is also effective on a wide range of materials including carpets, upholstered fabrics, and linens.

SIMPLY GREEN All-purpose cleaner with controlled foaming characteristics and broad grease removal capabilities that is safe to use on a wide range of surfaces leaving a clean, streak-free finish. When used as a kitchen cleaner, it cuts grease on floors, tiles, and metal surfaces.

TILE BRITE Concentrated, mildly chlorinated, non-abrasive hard surface, ceramic tile, grout, and tub cleaner.

WINDOW CLEANER ML Ammoniated glass and mirror cleaner that leaves surfaces dust- and streak-free which can be used on painted surfaces, formica tables, stainless steel, tubs, tiled walls, fixtures, and appliances.
