WCS™ Wet-Cleaning Systems

SHOT-SPOT**Description**

SHOT-SPOT™ is a highly versatile, all-purpose stain remover. The product can be used both as a pre-spotting agent for wet cleaning and as an additive for cold washing to help in oil removals. It also works on a wide range of materials that includes carpets, upholstered fabrics, and linens. SHOT-SPOT is odorless, ringless, and non-flammable.

Applications

SHOT-SPOT performs nicely on the following stains:

- Pet stains
- Blood
- Food stains
- Beverage stains
- Candle wax
- Makeup
- Chocolate
- Iodine
- Oil stains
- Most shoe polishes
- Crayons
- Grass stains
- Catsup/ketchup
- Many clay stains

Directions for Cold Water Oil Removal

Add 4 ounces per 50 pounds of wash during the wash cycle. Wash as you would normally.

Directions for Carpets and Fabric

Apply product liberally to the stained area. Thoroughly agitate. Blot with an absorbent terry cloth towel.

Directions for Upholstery

Apply liberally to terry cloth towel. Rub the stain thoroughly in a circular motion using a cloth.

Handling

No special product handling is required. Standard caution should be used with any chemical product.

Packaging

SHOT-SPOT is available in 12x1-pint and 4x1-gallon cases, 5-, 15-, and 55-gallon containers.
