
TECHNICAL PRODUCT BULLETIN

A purple rectangular box with the word 'INVITE' written in white, bold, sans-serif capital letters in the center.

INVITE

Description

Use INVITE for quick removal of grease, oil, and all carbonized grease from such surfaces as concrete, machinery, engines, floors, and walls.

Usage Directions

Apply INVITE on surface to be cleaned. Allow to penetrate grease for 1–5 minutes depending on thickness of deposit. Wipe off dissolved and loosened grease with damp cloth. Rinse with clear water. Note: Avoid contact with windows and glass surfaces.

For light soil: Add 4 ounces INVITE to 1 gallon of water.

For medium soil: Add 13 ounces INVITE to 1 gallon of water.

For heavy soil: Add 26 ounces INVITE to 1 gallon of water.

Packaging

Product is packaged in 4x1-gallon cases, and 55-gallon containers.
